

The Digby Tap

Fantasy Football

2018 / 19

Do you know anything about football? Do you have an analytical or managerial brain? Then back yourself against some of the finest ale addled minds in the southern end of Sherborne and join our Fantasy Football Dream Team League.

Ask behind the bar for more information. This exclusive league is only open to patrons of the Digby Tap.

Prize money dependent on entry numbers but expect to become very rich indeed!

This is Colin, the very first winner of The Digby Tap Dream Team League nearly 20 years ago. You will rarely see him now as he used his prize money to buy Venice and only pops back occasionally for a beer and to remind us of his win. Be like Colin, join the league and win honour and cash.
